

Overview

Are you an individual who owns or works for a business and has a Pennsylvania tax liability?

You can join a Special Purpose Entity (SPE) to take full advantage of the PA Educational Improvement Tax Credit (EITC) programs. These pass-through entities are created to direct EITC/PKTC (Early Education or Pre- K) funds to families of private schools.

By joining an SPE, qualified individuals can contribute through the EITC or Pre-K programs and designate the school(s) of their choice to receive their funds.

Participating individuals will:

- Receive credits towards their individual PA Tax liability
- Receive 90% of their contribution in Tax Credits for a 2-Year Commitment
- Help the school of your choice to succeed even more
- Become enthusiastic recruiters of other participants
